- A logical approach to work

JEFFERSON BORRAS

WEB DEVELOPER

CAREER OBJECTIVE

to launch my career as a web developer by utilising both my enthusiasm for building aesthetically pleasing and user-friendly websites and my good foundation in web development technology. I want to work for a forward-thinking company that encourages creativity and offers chances to work on a variety of projects. I hope to contribute to the creation of excellent and responsive web applications with my strong technical abilities, attention to detail, and desire to learn.

DESIGN PROJECT COMPLETED/ RESEARCH

Project Title: PST - Web-based Student E-Scholar Tracking and Management System for Pasig City
Role: Lead Programmer
